## RENOVATION SCHOOL YARD

From Monday, June 29, preparatory work will be done on the intersection of the Roland Henriette Holsthuis. This means that from then on, the access road to the Roland Henriette Holsthuis will be closed and there will be temporary parking elsewhere. Naturally, the municipality ensures that the schools are easily accessible by foot.

Due to the work on the school yard, we ask you to come without your car as much as possible. Is this not possible? Then park your car a little further away, you can no longer park in the temporary parking lot of the Henriette Roland Holsthuis from the 29<sup>th</sup> of June onward.

## SCHOOL PICTURES

The school pictures have come in and have already been printed.

There are two packages:

Package 1: 3 portrait photos and 1 group photo for € 12 euros.

Package 2: 3 sibling pictures for € 12 euros.

Compiling 1 package by means of photos from different packages is not possible!

The children also receive an order list for later ordering (if they have lost the photo or for other family members)

As of this week, the parent council will take care of the sale of the Photos. They will be outside on several days in the morning and afternoon to speak to you. Please bring cash. See schedule on the front for days and times.

Parents are allowed to look at the photos (unfortunately the photos cannot be taken without payment).

Would you rather transfer the money? That is also allowed! Pay your package(s) in advance and indicate in the description which package(s) it concerns (the name and group of your child.) Then the photos will be given to your child as soon as possible.

## GOODBYE GROUP 8

*A new beginning, a new school, a fresh start in a new school, where nothing is the same as it has been for the last 8 years.*

*Friday, June 26, we say goodbye to our group 8, we will miss them!*

*We are very sorry that they have not been able to go to camp and are not given a traditional farewell. However, the teachers of group 8 will ensure that they will have an unforgettable evening. They will have a nice dinner, they will perform an innovative musical and graduation ceremony and we end with a disco evening. The graduation ceremony is only for invitees.*

*We wish our students a wonderful time at high school and hope they look back on their time at the Blauwe Lijn with a smile.*

## KETI KOTI CELEBRATION

Despite the corona crisis, it is partying time at the Blauwe Lijn on 1 July. Then we celebrate Keti Koti, the abolition of slavery! This year will be different because our parents are unfortunately unable to attend. The children will be taught at school with history and creative assignments. All children and teachers can come to school in traditional costumes. Per group, the students will perform in groups at the retirement home (fashion show, songs or a dance). The elderly will enjoy the performances from the balcony.

From 11:00 onwards, the parent council will hand out halal snacks that will be served to our students by the teachers.

It will be a great day!

## REPORT MEETINGS

Our teachers are busy making the report cards, unfortunately we are overtaken by the measures regarding the corona virus and no report meetings can be done this school year.

The parents of the students that are doubling this year have already been informed. If you have not heard anything, you can assume that your child will transfer to the next year.

Tuesday June 30 is the new Group Day, the students will then go to the class where they will be enrolled next school year.

The report meetings of this school year are expected to be held after the summer break, during the meeting you will also receive the report card. You will receive a message about this in due time.

*It is already the end of this school year and we can proudly end the year. Despite the awkward situation that is turning the world upside down, positive things have also developed. We would once again like to thank all parents, colleagues and students who have successfully completed this year together. We hope to see you at the Blauwe Lijn healthy on August 17th.*
