## MUSICAL THE VILLAGE OF A THOUSAND LIGHTS

Saint Nicholas has hardly left our country and Christmas is already around the corner.

Of course we would like to celebrate this with you!

On **Wednesday, December 18**, from 10 to 11h and from 12.15 to 13.15 h, your children will deliver a wonderful performance and they will be so proud!

***During the performance they show how an old man returns to the village where he was born a hundred years ago in a unique way. Together with his two grandchildren, he wants to go back to the village of the lights once more. To his horror, all lights have been extinguished and people are arguing with each other. How does he get the light back ...?***

Don't miss it and experience the musical yourself!

***For the musical we are looking for a lot of string lights! Do you still have string lights left at home? Then give it with your child! Thanks in advance!***

## LICHTJES (LIGHTS) DINNER THURSDAY 19 DECEMBER

On Thursday evening, December 19, the children will enjoy a delicious dinner in the classroom. The walk-in for the students is from 17.00 h and from 17.15 to 18.30 h the children will enjoy a Christmas dinner.

In a separate letter we asked you to make something delicious for our students. It would be great if you would like to contribute to a pleasant evening for your child. In addition, it would be great if your child also brings a plate, cup and cutlery!

**The parents and/or guardians** they will receive an invitation for a great get-together this year.

More information about this will follow in a separate letter.

### DEAR PARENTS AND/OR GUARDIANS...

For the Christmas party, our students will make a beautiful Christmas piece. Do you have a nice pot or wooden box at home that can hold the Christmas piece? Give this to your child as soon as possible. You will receive this back with a nice hand made Christmas piece. In addition, I would also like to ask you to collect glass jars for us, such as jam jars or baby food jars.

The teachers can also use some help in serving the food during the Christmas dinner in the classroom. Are you willing to help? Then pass this on to your child's teacher.

### GROUP 3 ON A CONSTRUCTION SITE " HOW DO I LIVE? "

Wednesday, November 27 our students from group 3 visited the construction site at the Mi OSO project in the context of the "How I live" theme.

The children had an extensive tour and were allowed to view houses. Then they started doing activities in circuit form.

They were able to build a wall, control a crane with a real radio, furnish a house and much more!

The children enjoyed and even received their own construction worker helmet! That is awesome!

### BLAUWE BIJTJES

Dear parent and/or guardian,

Blauwe Bij 1 and 2 enjoyed the Sinterklaas party. Saint Nicholas is leaving us and we are already getting the Christmas tree and decorations out of the closet. In the coming weeks we will start with the Christmas theme.

The Blauwe Bij 1 and 2 will be visiting the Henriette Roland Holst Nursing Home. We are going to make a pleasant morning out of it, and sing Christmas songs with the elderly.

On Thursday 19 December, both toddler groups will have a Christmas brunch from 11 to 12

Further information will follow by letter and / or WhatsApp

The Christmas holiday is from December 21 to January 5, 2020.

The leaders of Blauwe Bij 1 and 2 wish everyone a merry Christmas, a happy ending and a fantastic 2020.
