GOODBYE GROUP 8

A new beginning, a new school, a fresh start in a new class, where nothing was the same as the last 8 years.

*Friday 2 July we say goodbye to our 8th group, we will miss them so much!
 We are very happy that we decided at the last minute to go to camp with the children in a responsible way. An unforgettable adventure is granted to every child..*

On Friday, students are expected at school at 5:00 PM. They will eat a pizza together in class and watch a movie that they have made themselves.

Parents of group 8 are expected at 6.45 pm (you will receive a separate invitation with extra explanation and information about the new guidelines according to the RIVM).

The graduation ceremony will start at 7:00 PM until 8:30 PM.

The children end with a disco evening. Students must be picked up at 9:30 PM.

***The graduation ceremony is for invited guests only.*

We wish our students a wonderful time in first year and hope that they look back on the Blue Line with a smile.

NETHERLANDS WIN 2-0 AGAINST AUSTRIA

The Netherlands had a less good start during the exhibition games.

On Thursday, June 18, the Netherlands played against Austria.

HUPHUP HOLLAND won 2-0!! What a wonderful comeback!

On Monday, June 21, the Netherlands will play against North Macedonia, which will be an exciting match. De Blauwe Lijn keeps a close eye on developments around the European Championship, we hope that the Netherlands will finally win the cup! The last victory of the Netherlands during the European Championship was in 1988 against the Soviet Union.

KETI KOTI CELEBRATION

On July 1, we celebrate Keti Koti, the abolition of slavery!

The Children have already received a lesson from master Marc with a piece of history and creative assignments. All children, teachers and masters are allowed to come to school in traditional costume.

Per class, the students will perform in groups at the retirement home (fashion show, songs or a dance). The elderly will enjoy the performances from the balcony.

Halal food will be served in the classroom by the parent council from 11 a.m.

It promises to be a beautiful day!

COLLECTION CITY PASSES LAST CHANCE

The end of the school year is in sight and we notice that the city passes have been scanned less this school year than last year. Parents are often asked whether the credit of €55 will be used at the expense of their clothing voucher or student allowance, this is not the case.

Paying the parental contributions with the city pass is a separate arrangement that is separate from your other credits. If you do not scan your city pass, the credit for that year will be lost and will not be refunded.

This school year we have decided that students from group 8 can pay with the city passes already scanned in last school year and this school year. This leaves only an amount of €45 euros instead of €95 euros.

It is therefore very important to scan your city pass with us at all times, you will not lose anything. **Especially for group 7, your city pass credit will then be taken to camp next school year!**

REPORTING CALLS

Our teachers are busy preparing the reports, you have now received an invitation. We would like to ask you to come for a conversation with a mouth cap. Do you have a cold or do you have other complaints, please unsubscribe in time.

Tuesday 6 July is the new groups day, the students will 10 a.m. and 12 p.m. going to class to meet the new teacher or master and all classmates.

Because the furnishing of the new classrooms is not yet finished, it may be that your child has the introduction elsewhere.

Did you not receive an invitation for the report meeting or would you like a different date and/or time? Please report to your child's teacher.

On July 7th we will have a summer party for all children, the parents of the toddler groups will receive more information about this.

Johan Cruijff

Johan Cruijff is verkozen tot Europees voetballer van de eeuw. Maar wie was deze beroemdheid eigenlijk? Johan Cruijff werd geboren op 25 april 1947 in Amsterdam. Johan voetbalde uren op straat. Hierdoor sleten zijn schoenen heel snel. Zijn ouders waren het zat om elke maand nieuwe schoenen te kopen en op zijn negende verjaardag kreeg Johan zijn eerste 'voetbalschoenen'. Geen echte schoenen met noppen, zijn vader had een extra stukje leer onder de zool van de schoen geplakt. Op zijn **tiende** verjaardag werd Johan Cruijff lid van Ajax. Op zijn zestiende tekende hij zijn eerste jeugdcontract bij Ajax.

De eerste keer
Op 7 september 1966, Johan was toen 19 jaar, debuteerde hij in het Nederlands elftal (tegen Hongarije werd het 2-2) en scoorde direct een doelpunt. In zijn tweede interland (een wedstrijd tussen twee landen) werd hij de eerste speler in de geschiedenis van het Nederlands elftal die met een rode kaart van het veld werd gestuurd. Hij had te ruw gespeeld.
