NEW GROUP DAY

Tuesday July 6th. is the new group day.

The students are taught by the teacher of the next school year **between 10:00 and 12:00** and are introduced to their (new) classmates. Last Friday you received an overview with your child's teacher and the names of all classmates.

The groups are in good consultation and very carefully composed.

For the new school year we will start with 4 kindergarten groups and two groups per other school year. Group 3a and 3b, 4a and 4b, 5a and 5b etc.

To make this possible, we have added 4 classrooms.

Because the classrooms are still under construction, your child may meet in a different room during the new group day.

After the summer holidays all rooms will be ready for use and we will start with 16 groups!

NETHERLANDS DISABLED

After a wonderful match on Monday 21 June against North Macedonia 3-0, the Netherlands is eliminated in the eighth final.

On Sunday, June 27, the Netherlands played against the Czech Republic. The Netherlands started stormy and ended in the 55th minute after a red card for Matthijs de Ligt with ten men.

The Czech Republic was 2-0 too strong for the Orange in Budapest! What a match! But we remain sporty and wish them all success! Saturday Czech Republic- Denmark in the quarterfinals!

MASTER AND MISS DAY

Wednesday 7 July is master and teacher day.

On this day it is a party and all teachers and masters have a "birthday".

The children can come to school dressed up.

As a surprise, we have rented a water slide where the children can splash on in each class.

Please provide your child with bathing suits and a towel.

We provide enough guidance during the splashing party.

The toddlers will be allowed to use the wading pool under extra supervision.
