

Dear parents/guardians of students from groups 7 and 8,

Do you want your child to have a good start at secondary education? Even though it might seem very far away, it's closer than you think.

To give all pupils a chance to get used to secondary education, they can register for the reading club of the Ir. Lely Lyceum. Students of all levels are welcome to participate!

But as a parent you are also welcome to take a look at the reading club prior to the activity.

During the reading club meetings, pupils come together to do language-related activities under the guidance of teachers. For example, stories are read and discussed. The students are also taught to form their own opinion and to stand up for their own point of view by looking at stories from different angles. The books and stories are processed in different ways and the students will certainly also have their own input.

Why sign up for the reading club? People who read a lot develop their reading skills better and will also like it more. When you read in your free time, you strengthen your reading skills. This is necessary for many subjects in school. In addition, reading broadens your vocabulary, strengthens your language skills, but also encourages general development and knowledge about the world. Of course, the reading club is also about fun and reading pleasure!

Benefits of the reading club:

- Free and entirely voluntary
- For all students from groups 7 and 8
- Weekly on Friday afternoons
- Four consecutive lessons per participation
- Start: 24<sup>th</sup> of January until the 28<sup>th</sup> of February 2020
